Clean Bread

5 CENTS A LOAF
The Bread That's Guaranteed

VER hear of a guaranteed bread before! Sounds queer Idoesn't it. &ut that's the kind of bread the Clean Bread is -a bread that's guaranteed-a bread that must please you or your money is refunded.

But CLEAN BREAD is more than simply n guaranteed bread, however. It is a "home made bread." A bread such as you, Mrs. Housewife, bake in your own o enmade in the very same way, vet it is a better bread, because it is made under the same condition day after day, by expert bakers who have spent years in practical b ead making.

CLEAN BREAD is exceedingly rich in gluten. Much richer in fact shan your own home made bread, because it is made from flour milled especially for our exclusive use—flour that produces a fine grained solid snowy white loaf, yet retaining all the nutri-ment of the whole wheat.

CLEAN BREAD is made in a clean, sanitary bakery, and baked in the finest continuous baking oven in the world

We want you to try one loaf of CLEAN BREAD. We want you to taste it in every way possible; and if it does not suit you absolutely—if you do not think it is even better than the "home made" bread you bake, your groeery will refund the purchase price.

Now, that's claiming a heap for a loaf of bread, isn't it? But you'll agree with us that CLEAN BREAD is the best bread you have ever tasted, after you have sampled your trial loaf. Order from your Grocer.
